

Appl. No. 09/943,997
Amdt. dated 12 Mar. 2004

REMARKS

The above-proposed amendments to the application are submitted in response to the teleconference between the undersigned and the Examiner on 12 March 2004. The Examiner notified the undersigned of the need to make amendment to the specification of the application to identify the application cross-referenced on page one of the application by the application serial number accorded to the application.

The above-proposed amendment identifies the cross-referenced application to be that of application serial number 09/018,394.

Respectfully submitted,

Dated: 12 Mar 04
